Florida Gulf Coast University

College of Education
10501 FGCU Blvd. South
Fort Myers, FL 33965

Education

University of Texas at Austin, Austin, Texas

Ph.D., 1990; Psychometrics and Statistics, Department of Educational Psychology – Barbara Dodd
Bill Hays

M.A., 1987; Program Evaluation, Department of Educational Psychology – Gary Borich

Texas State University, Sam Marcos, Texas

Mental Health Counselor degree candidate, LPC, 1997

Fairleigh Dickinson University, Rutherford, New Jersey

B.A., Magna cum laude, 1985; Psychology

Professional Experience

Florida Gulf Coast University, College of Education, Fort Myers, Florida

Department Chair – Teacher Education and Research (8/11 – Current)

- Develop academic programs and policies for my department
- Develop and administering the budget for the department
- Coordinate the recruitment, selection, appointment, evaluation, and training of faculty and staff
- Scheduling classes and teaching assignments for 13 faculty and 125 classes per semester
- Administer all aspect of teacher education for 800+ undergraduate students
- Serve as doctoral dissertation committee chair for two students and member on 12
- Serve as a member of appropriate policy and advisory committees
- Teach courses in education, statistics, research, counseling, and psychometrics
- Vice Chair of the Institutional Review Board (IRB) – Substitute as chair in summers.
- Member of Post Masters Alignment Committee (PMAC)
- Program Leader for the Education minor
- Supervise all internship placements (Level I and II)
- Chair of search committee for two research faculty
- Chair of Doctoral comprehensive exam committee in research
- Member of two other faculty search committees
- Advisor for graduate students
- Engage in scholarly research
- Write grant proposals

Assistant Professor of Research and Measurement (8/09 – 8/11)

- Teach courses in education, statistics, research, counseling, and psychometrics
- Provide analyses for the Office of Research and Sponsored Programs (ORSP)
- Member of the Institutional Review Board (IRB)
- Advisor for students
- Engage in research
- Write grant proposals

Achieve, Washington, DC**Director – Assessment Partnership (1/08 – 1/09)**

- Oversee all aspects of the American Diploma Project (ADP) Algebra I and II exams – this was a multi-state initiative testing students across 15 states
- Provide support for implementation, policy, and test construction to the states
- Present information about the program to state and national audiences
- Provide psychometric analyses and advice for the research needed to support the test results of the Algebra II exam to be used as an indicator of college readiness
- Maintain budget
- Manage the relationship between the states and the test contractor – including procurement

Virginia Department of Education, Richmond, VA**Director of Assessment - Development (11/99-1/08)**

- Oversee all aspects of the SOL student assessment program - Supervise eleven employees
- Provide support to LEAs, the department, and other constituents
- Manage all aspects of Title I and Title III assessment requirements
- Manage the activities of the Technical Advisory Committee
- Manage contractors
- Oversee all aspects of forms construction and item development
- Provide statistical, psychometric and evaluation consulting to the agency
- Psychometric consultant to the implementation of online testing program
- Psychometric, statistical, and evaluation support
- Write and maintain equating, scaling, sampling, QC, and scoring programs in SAS
- Provide policy and technical guidance for the implementation of NCLB

Harcourt Inc., San Antonio, TX**Director of Psychometrics (7/96-11/99)**

- Manage the activities of the company's Psychometric research group – Supervise six employees
- Write the technical sections of proposals to include sections on budgets, resources, and timelines
- Management of implementation and psychometrics on large-scale testing programs
- Oversee various aspects of forms construction and item development
- Preparation of budgets and planning, including five-year projected expenditures

- Facilitate committee meetings (Standard Setting, Policy Committees, Technical Advisory Committees . . .)
- Design and implementation of sampling, analyses, and reporting
- Present technical information to various audiences
- Implemented 3PL IRT model into Harcourt psychometric and scoring system – this included polittimous multi parameter IRT models and pattern scoring

University of Texas at Austin, Austin, TX

Director of Data Services - Population Research Center (7/92-7/96)

- Management of computer resources for a large demographic research center - Supervise eight employees
- Supervision of technical staff on UNIX, Novel, PC and MAC platforms
- Maintenance and support of Center hardware, software, and LAN
- Teaching, programming, and consultation-SAS, research methodology, statistics
- Preparation of budgets and planning, including five-year projected expenditures
- Review and writing of grant proposals

Texas Education Agency, Austin, TX

Educational Program Director - Student Assessment (9/89-7/92)

- Technical advisor for all statewide student testing programs (TEAMS & TAAS)
- Wrote and maintained programs for test equating, scaling, and QC in SAS
- Oversee various aspects of forms construction and item development
- Oversaw and directed item calibrations, pre- & post-equating and test construction
- Involved on a policy level in efforts to interpret the Title 1 evaluation guidelines for equating
- Organized and implemented research projects
- Present technical information to various audiences

Educational Research Specialist - Teacher Assessment (3/88-9/89)

- Technical advisor for all teacher testing programs (TCAT, ExCET, P-PST, TASP)
- Oversee various aspects of forms construction and item development
- Wrote and maintained programs for test equating and scaling
- Organized and implemented research projects

University of Texas at Austin, Austin, TX

SAS & Statistical Consultant - Computation Center (6/87-3/88)

- Consulted to UT faculty, staff and students on SAS, SPSS, and statistics
- Taught courses on SAS and applied statistics

Research Assistant —Measurement & Evaluation Center (9/85-6/87)

- Program evaluation of gifted and disadvantaged children, Special Ed Dept., UT
- Program evaluation of Writing to Read program, Austin Independent School District
- Program evaluation of a study of family interaction - Child Development Department, UT

Teaching Assistant (9/85-6/87)

Multivariate Statistical Analysis (three times) – Bill Hays

Analysis of Qualitative Data (three times) – Bill Hays

Consulting

5/09 – current	Provide psychometric and statistical services to the Center for Applied Linguistics in Washington, DC and the WIDA Consortium. Provide high level SAS programming, statistical analysis and psychometric analysis for new assessments for English language learners and students with special needs.
5/10 - current	Provide psychometric and statistical services to a local school district in South West Florida. Reported on current and future teacher and administrator evaluation using a value added model. Provided validity and reliability reports for locally developed District assessments.
1/01 – current	Consultant – US Department of Education, Washington, DC General technical matters pertaining to No Child Left Behind Act – Including writing reports and letters, equating and scaling, testing special populations, and testing English language learners.
2/08 – 1/09	Member - Governor of Tennessee’s Steering Committee on Student Assessment The committee met several times a year to discuss the TN student assessment system, measures of Annual Yearly Progress, and accountability. The members include the Governor, members of his staff, the President of the Board of Education, the Chief State School officer and several other important stake holders
1/09 – 2/09	Technical Advisory Committee – ONPAR Center for Applied Linguistics and WIDA Consortium. Technical advisor for English language learner assessments.
5/85 – current	Statistical and Psychometric Consultant to a variety of education entities.

Programming/Quality Control and Calibration Software

SAS – Statistical programming and high level data manipulation (high skill level – 20+ years exp.) on UNIX and PC platforms.

SPSS – Statistical analysis (high skill level – 20+ years exp.)

MULTILOG – Item response theory (IRT) calibration programming (moderate skill level – 3+ years exp.)

WINSTEPS – IRT calibration programming (high skill level - 20+ years exp.)

PARSCALE – IRT calibration programming (high skill level – 5+ years exp.)

FACETS – IRT calibration programming (moderate skill level – 3+ wears exp.)

Higher Education Courses Taught

- 9/90-1/94 **Adjunct Professor — Austin Community College, Austin Texas**
Taught various psychology and statistics classes (one or two per semester):
Intro to Psychology (3 times),
Intro to Statistics (2 times)
Abnormal Psychology (2 times)
Personality Theories (2 times)
- 5/04 – 5/09 **Affiliate Professor — Virginia Commonwealth University, Richmond, VA**
Taught one or two doctoral level statistics and/or evaluation classes (including SPSS) each semester
STAT 508 – first in a series of doctoral level stats courses (5 times)
STAT 608 – second in a series of doctoral level stats courses (5 times)
EDUS 662 – doctoral level measurement and evaluation class (4 times)
EDUS 660 – master’s level measurement and evaluation class (once)
- 8/09-Current **Florida Gulf Coast University, Fort Myers, FL**
EDF 6481 – Masters level research course (2 times)
EDF 6432 – Masters level measurement class
EDP 3007 – Developmental Psychology (2 times)
MHS 6428 - Cross-cultural Counseling for counseling students (2 times)
MHS 6710 – Research and Program Evaluation for counseling students
EDG 7367 – Doctoral level Research Methods Seminar
EDG 7974 – Doctoral level Specialist Proposal Development
EDG 7976 - Doctoral level Advanced measurement course
EDF 7943 – Doctoral research course

Grant Support

US Department of Education Enhanced Assessment Grant – Awarded to Virginia Department of Education - 1.2M 2007

Various NIH grants – UT Austin Population Research Center – Approximately 5.0M per year for four years.

Kids Style - PI Robert Triscari- Florida Gulf Coast University, Fort Myers, FL – 2011 - \$5,000.00

AFCAAM – PI Robert Triscari Fort Myers, FL – 2012 - \$5,000.00

Grants Submitted

2010-2013 NSF/REU Grant. Green technology: Inventing and adapting new technologies for environmental analysis. PI Dr. Barreto; COPI Dr. Chou; COIs: Drs. Volety, Loh, Davies, Sweeney & Torres. Project total: ~\$338k. (Submitted August 2010; under review)

2012-2014 – NSF/Noyce Grant. FGCU Capacity Building Program for STEM Education. PI Dr. Diane Schmidt. Project total: ~\$300k. (Submitted March 2011; under review)

2012-2017 – NSF/Noyce Grant. TIP Scholarships in STEM Education. PI Dr. Diane Schmidt. Project total: ~\$1.2M. (Submitted March 2011; under review)

2012-2018 – NSF/Noyce Grant. TIP Teaching Fellows in STEM Education. PI Dr. Diane Schmidt; COPIs Dr. Tanya Kunberger and Dr. Michael Savarese. Project total: ~\$1.5M. (Submitted March 2011; under review)

Reviewer

Journals:

The International Journal of Educational and Psychological Assessment (2011). I reviewed **four** manuscripts on the technical/psychometric characteristics of teacher assessment instruments.

Books:

Sage Press: *Modern Classroom Assessment* (2011)

Routledge/Taylor & Francis: *Applied Multivariate Statistical Concepts* (2012)

Proposals:

Reviewed several proposals for the US Department of Education I3 grants (2010).

Awards

Florida Gulf Coast University - *Team Faculty Excellence Award* (2011-2012). For work on the *Post Masters Admissions & Policy Committee* (PMAPC)

Journal of Research Administration - 2012 Rod Rose Award for best article in the Journal. For *Research Administrator Salary: Association with Education, Experience, Credentials, and Gender*.
