**Initial** **I understand and agree that:**

\_\_\_\_\_ I shall abide by the counseling code of ethics as set forth by the American Counseling Association at all times. Failure to do so may result in forced withdrawal from the program.

\_\_\_\_\_ I will follow this planned program. Any changes to this program must be authorized by your advisor. Also, I understand that, although unlikely, this program may be adjusted to meet new state and other requirements for certification and/or licensure.

\_\_\_\_\_ I understand that to graduate, I must pass both the comprehensive counseling exit examination and the Florida Teacher Certification Exam.

\_\_\_\_\_ I am expected to make use of various technologies such as working with the World Wide Web, electronic mail, and various on-line full text databases. You will receive training using various technology applications although you are responsible for learning needed technology applications. FGCU offers a great deal of technology support (see <http://www.fgcu.edu/support/>).
