Quick & Easy Planning Resource from WGCU Public Media

December 2012

Welcome! We hope you find something of use for your classroom. This page is general interest information and the tabs that follow are divided by grade level.

From PBS

Is the "Happy Birthday" Copyright Unfair?

You know how chain restaurants always sing some weird unknown birthday tune, instead of the actual Happy Birthday song we know and love? It's because "Happy Birthday To You" is protected by COPYRIGHT!!!! They are legally not allowed to sing it in public, and neither are you.
